

Student Pride in Work

## **I Blew It Card**

To encourage students to try something new, hand out this coupon at the beginning of a unit. Alternatively, you could give each student a certain number for the full term or year. Explain that you learn by taking risks, even if the risk was not successful.

### **I Blew It**

**I tried something new and innovative and it didn't work as well as I wanted.  
The COUPON entitles me to be  
free of criticism for my efforts and try again**
